EXHIBIT C

SPECIAL CONDITIONS 2019

2020 Coronavirus Emergency Supplemental

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award. By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts all such assurances or certifications as if personally executed by the authorized recipient official

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The U.S. Department of Justice ("DOJ"), including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

Subrecipient Initials

Date

7/26/20

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Requirements to report potentially duplicative funding

If so, the subrecipient must promptly notify the NHDOJ awarding agency in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

6. Requirement to report actual or imminent breach of personally identifiable information (PII)

Any "subrecipient" at any tier must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient)-(1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The subrecipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

7. All subawards ("subgrants") must have specific federal authorization

Any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP

Any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time) specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor

The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement.

10. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

10.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

12.1 The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice, which shall be provided to the State at least fifteen (15) days prior to the assignment, and a written consent of the State. The following is added as Section 10.4:

"10.4 Data does not include (a) any information in Contractor's possession prior to the Effective Date. Notwithstanding any other term of this Agreement, the State acknowledges that it has no right to any computer or electronic system used or developed by Contractor for purposes of delivering the Services."

The following is added as Section 12.3:

"12.3. Notwithstanding any other term of this Agreement, the State acknowledges that the Contractor may subcontract the Services to the NH Community Development Finance Authority, The NH Center for Nonprofits, and such other organizations that the Contractor identifies as being able to effectively partner with the Contractor to effectively deliver the Services."

Paragraph 13 is deleted and replaced with the following:

"13. LIABILITY Unless otherwise exempted by law, the Parties shall each be responsible for any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against them, which arise out of (or which may be claimed to arise out of) the Party's own acts or omissions, including but not limited to the negligence, reckless or intentional conduct. Each Party shall be liable for any costs arising under this paragraph 13. Nothing in this paragraph shall limit the ability of either party to assert any counter claim, cross claim or set-off allowed by law. 9. Determine which grants should be funded and which should not be funded based on the purposes, criteria, and application process of the Program and communicate the results to the GOFERR with the name, address, principal contact, amount, and brief description of each.
10. Other activities as needed to fully and fairly administer the program.

The Partners understands that the State makes the final decision on approval of the grant. The State will use best efforts to make grant payments to the approved organizations within 7 to 10 days of approval.

Reporting

The partners will work with the GOFERR staff to create a comprehensive reporting platform and dashboard to report monthly and annually on all award decisions approved by the state. The report would include the name and address of the organization, communities served, and the amount and purpose of the grant. The Partners will not conduct individual grant monitoring or reporting.

Estimated Timeline

This is an estimate for the majority of the grant distribution. The starting point is the final approval of the contract. For some grants and organizations, it may be in the interest of the program to distribute on a longer horizon.

Weeks 1 – 7: Fund Development, Announcement, Technical Assistance, Applications Received and Reviewed

Weeks 8 – 9: Funding Determinations Made and Communicated to GOFERR

Week __: Within 7-10 days: Grants Approved by State and Distributed from State Treasury to Approved Organizations.
