ORDER 2020-04, AS EXTENDED BY EXECUTIVE ORDERS 2020-05, 2020-08, 2020-09, 2020-10,
2020-14, AND 2020-15**

Dear Governor Sununu:

Authorize the Governor's Office for Emergency Relief and Recovery (GOFERR) to amend the Governor's July 6, 2020 approval authorizing the Department of Revenue Administration (DRA) to expend the remaining balance of the \$400,000,000 Main Street Relief Fund (MSRF) program, and an additional amount not to exceed \$100 million total, for the New Hampshire Self Employed Livelihood Fund (SELF) program, to eligible and approved applicants by transferring the appropriation for the SELF program into a separate accounting unit, effective upon your approval through December 30, 2020. 100% Federal Funds.

The appropriation will be established in 05-84-084-840010 – Revenue Administration, 19150000 – Self Employed Livelihood Fund, as follows:

	<u>FY 2021</u>
075-500590 – Grants Subsidies and Relief	\$100,000,000

EXPLANATION

This request to transfer the appropriation for the SELF program into an accounting unit separate from the Main Street Relief Fund will provide greater transparency for the number and amount of grants approved in each of the two programs.

As previously described, the Governor authorized the allocation and expenditure of \$400 million in emergency funding from the CARES Act Coronavirus Relief Fund ("flex funds") to provide emergency financial relief to New Hampshire small, for-profit businesses due to the economic disruption caused by COVID-19, under the New Hampshire MSRF program.

Having made payments to eligible and approved MSRF applicants, the Governor further authorized the remaining balance of the MSRF to be expended for the SELF program, to eligible, approved applicants. Because there are some MSRF awards under review/appeal, this SELF request is for an amount not to exceed \$100 million, and the actual total amount disbursed under the SELF program is anticipated to be

less than \$100 million. Grant award amounts for SELF will be calculated similarly to the MSRF, with the maximum award amount a business can received is \$50,000.

The State of New Hampshire is not directing businesses on how to spend the money. Businesses must demonstrate they have experienced or anticipate they will experience a financial loss due to COVID-19 in order to qualify for a Self Employed Livelihood Fund Grant. It is expected that businesses will use the funds to assist in covering their operational costs and legal obligations.

The Application Period began on July 6, 2020 and was completed by 4:00 PM on Friday, July 17, 2020, using only the DRA web portal. No hand-delivered or mailed paper copies were accepted. The DRA will begin processing relief payments shortly after the filing period closes and the funds are made available.

RSA 21-J:14 and RSA 282-A:118 shall not apply to the business names and addresses of all Applicants, and the amount of each award made to all Applicants/Awardees, which will be public information, subject to disclosure, and may be posted on the website of the Governor's Office for Emergency Relief and Recovery (GOFERR). DRA, NHES, and the Governor's Office, including GOFERR, will assert that any information obtained through SELF other than business names and addresses, and award amounts, is subject to RSA 21-J:14, RSA 282-A:118, and/or is confidential financial information that is exempt from disclosure under RSA 91-A:5,IV, unless ordered to disclose such information by a court of competent jurisdiction.

All cost of business interruption due to COVID-19 must be incurred by the recipient before December 30, 2020.

Respectfully submitted,

Joseph Doiron
Deputy Director, GOFERR
