**EXPLANATION**

The New Hampshire Department of Education received a grant through the Elementary and Secondary School Emergency Relief (ESSER II) Fund as part of the Coronavirus Response and Relief and Supplemental Appropriations (CRRSA) Act. This program allows the state and its school districts to expend funds flexibly to meet the pressing demands created by the impact of COVID-19.

The New Hampshire Department of Education (NH DOE), upon receipt of regulatory and guidance documents from the US Education Department, will award CARES funds to all local education agencies (LEAs) according to a formula based on population and poverty rate (formula for Title I, A funds). The NH DOE will prepare allocations and deliver funds via the existing reporting and application software, the online Grants Management System (GMS). LEAs will submit application documents, including program assurances and allowable grant activities, through this software, enabling two-way communication and reimbursement of expenses.

The NHDOE will communicate allocations, guidance and regulations on allowable activities and expenditures. LEAs will submit program assurances and activities. NHDOE will review, approve or suggest edits, and LEAs will be allowed to spend available funds to be reimbursed through the reporting system.

ESSER II provides for a broad use of funds by LEAs to include items listed below:

- Any activities authorized under ESSA, IDEA, Perkins, Subtitle B of McKinney-Vento Homeless Assistance Act, Adult Education and Family Literacy Act
- Coordinate emergency response
- Support school teachers
- Ensure preparedness and coordination
- Purchase cleaning supplies
- Purchase education technology
- Mental health supports
- Remediating learning loss and providing summer learning opportunities
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve indoor air quality
- Other qualifying expenditures

In support of the objectives noted above, the Department commits to: adequately monitoring the formula subgrantees; assisting in the development of remote learning programming; providing technical assistance to understand new legislation and new flexibilities; supporting fiscal compliance guidance and support.
