REQUESTED ACTION UNDER RSA 4:45, RSA 21-P:43, AND SECTION 4 OF EXECUTIVE ORDER 2020-A4 AS EXTENDED BY EXECUTIVE ORDERS 2020-05 AND 2020-08, 2020-09, 2020-10, 2020-14, 2020-15, 2020-16, 2020-17, 2020-18, 2020-20, 2020-21, 2020-23, 2020-24, 2020-25, 2021-01, 2021-02, 2021-04 AND 2021-05 AND SUSPEND THE MANUAL OF PROCEDURES 150, V., B., I., REQUIREMENT.

Dear Governor Sununu,

The Governor's Office for Emergency Relief and Recovery (GOFERR) requests retroactive authority to amend the accept and expend Coronavirus Aid, Relief, and Economic Security (CARES) Act Funding to the New Hampshire Department of Education (DOE) to support the Special Education Provider Fund item by extending the end date from March 31, 2021 to June 30, 2021 to support administrative, compliance and monitoring activities only, effective upon approval by the Governor through June 30, 2021. Originally approved on October 13, 2020, and amended January 21, 2021, attached. The budget lines to support this request for Fiscal Year 2021 are listed below. 100% Federal Funds.

Table with 2 columns: Description and Amount. Row 1: 029 - Intra-Agency Transfers \$15,000. Row 2: 102 - Contracts for Program Services \$40,000.

EXPLANATION

This amendment is to extend the funds to support compliance and monitoring activities only. While the program funds allocated to the recipients had an end date of December 30, 2020, the Department has the responsibility to perform compliance and monitoring activities, to include reviewing Final Reports submitted by recipients, and providing reports to GOFERR.

The Bureau of Student Support works with Approved Private Providers of Special Education in the state to support students with disabilities within the state who have some of the most intensive needs. These providers are approved to provide intensive support to students in either a residential or day setting. Because of the COVID-19 pandemic, these providers have struggled to provide services remotely, in person and in homes while incurring large expenses for PPE and extra cleaning supplies. The nature of the student disabilities and support services provided requires, in many cases, enhanced PPE well beyond a typical instructional setting. They have developed some of the most innovative and thoughtful plans for these students to ensure they are still provided with the services they need.

Public schools across the state rely on these facilities to provide these unique intensive supports to students when options within the typical public school setting have been found to be unsuccessful.

His Excellency, Governor Christopher T. Sununu

This funding will support these providers as the state continues to respond to the effects of the pandemic.
Funds for the Intra-Agency Transfers are to support compliance and monitoring activities.

Respectfully submitted,
