REQUESTED ACTION UNDER RSA 4:45, RSA 21-P:43, AND SECTION 4 OF EXECUTIVE ORDER 2020-A4 AS EXTENDED BY EXECUTIVE ORDERS 2020-05 AND 2020-08, 2020-09, 2020-10, 2020-14, 2020-15, 2020-16, 2020-17, 2020-18, 2020-20, 2020-21, 2020-23, 2020-24, 2020-25, 2021-01, 2021-02, 2021-04 AND 2021-05 AND SUSPEND THE MANUAL OF PROCEDURES 150, V., B., 1., REQUIREMENT.

Dear Governor Sununu,

The Governor's Office for Emergency Relief and Recovery (GOFERR) requests retroactive authority to amend the accept and expend Coronavirus Aid, Relief, and Economic Security (CARES) Act Funding to the New Hampshire Department of Education (DOE) to support the Virtual Learning Academy Charter School (VLACS) item, time extension only, no new or additional funds, by extending the end date from March 31, 2021 to June 30, 2021 to support compliance and monitoring activities only, effective upon approval by the Governor through June 30, 2021. Originally approved on September 14, 2020, amended on November 5, 2020, and amended on January 21, 2021, attached. 100% Federal Funds.

The existing authorized budget line to support this request for Fiscal Year 2021 is listed below:

06-56-56-567010-19460000 VLACS – FUNDS FROM GOFERR-COVID
029 – Intra-Agency Transfers \$15,000

EXPLANATION

This amendment is to extend the date by which the already authorized funds to support compliance and monitoring activities by DOE must be used only. While the program funds allocated to the recipients had an end date of December 30, 2020, the Department has the responsibility to perform compliance and monitoring activities, to include reviewing Final Reports submitted by recipients, and providing reports to GOFERR.

The Virtual Learning Academy Charter School is a charter school that is approved by the New Hampshire State Board of Education to provide online, virtual school to elementary, middle, and high school New Hampshire resident students tuition free. Because of the COVID-19 pandemic, VLACS course enrollments have increased dramatically as VLACS has been uniquely positioned to respond to the educational needs of New Hampshire's students as the instructional landscape in the state has shifted towards a remote instruction environment.

His Excellency, Governor Christopher T. Sununu

Public schools across the state have taken advantage of VLACS' structure to ensure the continuity of student access to academic content. This funding will ensure that this avenue remains available to schools as the state continues to respond to the effects of the pandemic. In addition to enrolling in VLACS fulltime, New Hampshire students, enrolled in public, nonpublic, and homeschool settings may use VLACS as an educational supplement to their primary instruction.

EXPLANATION

The Virtual Learning Academy Charter School is a charter school that is approved by the New Hampshire State Board of Education to provide online, virtual school to elementary, middle, and high school New Hampshire resident students tuition free. In addition to enrolling in VLACS fulltime, New Hampshire students, enrolled in public, nonpublic, and homeschool settings may use VLACS as an educational supplement to their primary instruction.

Per NH RSA 194—B: 11, in FY 2021 the DOE reimburses \$493.44 VLACS for competencies completed in half credit courses. The DOE estimates that approximately an additional \$7,000,000.00 over the budgeted amount will be needed to reimburse VLACS for competencies earned in approximately 14,000 half credit courses by NH resident students on or before December 30, 2020. Upon enrollment, students indicate whether the courses they have enrolled in are related to COVID-19 concerns. Currently, 51% of enrolled 18,805 half-credit courses either actively enrolled or waitlisted are in direct response to the pandemic. Enrollment at the same time period during School Year 2019-2020 was 8,008 half-credit courses. The budgeted amount for VLACS was only 10,489,267.00, which is insufficient to cover the increase in enrollment due to COVID-19.

All CARES Act funds must be spent by the recipients before December 30, 2020.
